

Parking Amendments - Breadalbane Street

Date: June 5, 2019
To: Toronto and East York Community Council
From: Acting Director, Traffic Management, Transportation Services
Wards: Ward 13, Toronto Centre

SUMMARY

This staff report is about a matter that Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with City Policy or by-laws.

Transportation Services is requesting approval to amend the existing parking regulations on the north side of Breadalbane Street, between Bay Street and the east limit of Nos. 909 and 925 Bay Street, to no standing at all times. This amendment will prevent accessible permit holders from parking in this area and will help to maintain the flow of two-way traffic.

RECOMMENDATIONS

The Acting Director, Traffic Management, Transportation Services, recommends that:

1. Toronto and East York Community Council rescind the existing parking prohibition in effect at all times on the north side of Breadalbane Street, between Bay Street and a point 83 metres east.
2. Toronto and East York Community Council prohibit standing at all times on the north side of Breadalbane Street, between Bay Street and a point 83 metres east.

FINANCIAL IMPACT

All costs associated with the necessary signage installation are included within the Transportation Services 2019 Operating Budget.

DECISION HISTORY

This report addresses a new initiative.

COMMENTS

At the request of Property Administration of Nos. 909 and 925 Bay Street, Transportation Services has reviewed the feasibility of prohibiting standing at all times on the north side of Breadalbane Street, between Bay Street and the east limit of their driveway access.

Nos. 909 and 925 Bay Street are located at the northeast corner of Bay Street and Breadalbane Street and their property limit is about 83 metres east of Bay Street.

Breadalbane Street is classified as a local roadway on a pavement width of about 8.4 metres. It operates two-way traffic with a posted speed limit of 30 km/h and sidewalks on both sides of the road. Parking is prohibited at all times on the north side of Breadalbane Street; and parking machines operate from 8:00 a.m. to 9:00 p.m., Monday to Saturday, and from 1:00 p.m. to 9:00 p.m., Sunday on the south side of the road. There is no TTC service provided on Breadalbane Street.

It has been observed that vehicles with accessible parking permits frequently park in the "No Parking Anytime" area fronting Nos. 909 and 925 Bay Street. A standing prohibition at all times is recommended in this area in order to discourage accessible permit holders from parking and blocking sightlines of motorists exiting from these properties, and will help to maintain two-way traffic flow on Breadalbane Street.

This change will not result in any loss of on-street parking spaces on Breadalbane Street.

Councillor Kristyn Wong-Tam has been advised of the recommendations of this staff report.
