SUMMARY

Transportation Services is requesting approval from City Council to prohibit the General Manager from accepting applications from residents of, visitors to, and tradespersons at the development property municipally known as 1200 Dundas Street West for residential on-street permit parking.

Transportation Services has assessed the realignment of permit parking area 3J and the exclusion of the development property located at 1200 Dundas Street West as requested by Toronto and East York Community Council, Item TE6.56, on May 22, 2019. Transportation Services is recommending approval of the exclusion as it will not impact negatively on Dundas Street West residents.

RECOMMENDATIONS

The Manager, Permits and Enforcement, Parking, Transportation Services recommends that:

1. City Council approve the amendment to Schedule B of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate a revised map of permit parking area "3J", as attached in Appendix A of the report dated May 30, 2019 from the Manager, Permits and Enforcement, Parking, Transportation Services.

FINANCIAL IMPACT

There is no financial impact associated with this report.

DECISION HISTORY

At its meeting May 22, 2019 Toronto and East York Community Council in considering item TE6.56, requested Transportation Services to examine and report back to Toronto and East York Community Council regarding the realignment of permit parking area 3J and the exclusion of the development addresses of 1200 Dundas Street West.

COMMENTS

Permit Parking area 3J is bounded by Dufferin Street on the west, by College Street to the north, Ossington Avenue to the east and by Dundas Street West on the south. Area 3J has 412 on-street parking spaces. To date, 360 permits have been issued. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces. There is TTC service on Dundas Street West. Councillor Ana Bailao and residents neighbouring 1200 Dundas Street West support this action as a means of ensuring that this new development does not negatively impact the permit parking supply to the existing neighbourhood.

A Public Notice was placed on the City's website requesting those objecting to the exclusion of 1200 Dundas Street West from permit parking in area 3J, to forward their objections in writing to the City Clerk so they may be scheduled as deputations at this Toronto and East York Community Council meeting.

Transportation Services has no objections to the exclusion of 1200 Dundas Street West from permit parking in area 3J.
