Toronto, ON M5H 2N2

**RE: Speed Bump removal - Public Lane South of Queen St E: Between Boardwalk Dr and Woodbine Ave**

Dear Chair and Members,

After a speed bump installation in this laneway last year, residents have been complaining about the related noise from the bump directly adjacent to their homes. The vibrations and related noise are disrupting these neighbours.

Based on feedback from Transportation Services staff and considering the presence of speed bumps in the perpendicular portion of the laneway, I would like to request that staff remove the speed bumps directly adjacent to 127 and 131 Boardwalk Drive, as shown in Drawing No. 421G-3122 dated June 2018.

### RECOMMENDATIONS

It is recommended that:

1. Toronto and East York Community Council authorize the removal of a speed bump in the following laneway as shown in Drawing No. 421G-3122 dated June 2018, attached:
