Parking Regulations: Commissioners Street

Dear Chair and Members of the Toronto and East York Community Council,

Toronto Hydro has requested that an area on Commissioners Street, currently an unsigned 3-hour spot be converted to a no standing area. The unsigned spot sits between a no-parking area and the driveway entrance to the Toronto Hydro facility, creating a hazard for drivers by decreasing visibility and increasing the risk of accidents.

RECOMMENDATIONS

It is recommended that:

1. Transportation Services report to the November Community Council meeting with a by-law to amend the existing standing prohibition in effect on the north side of Commissioners Street between a point 186 metres east of Carlaw Avenue and a point 15 metres further east, to be in effect between a point 179 metres east of Carlaw Avenue and a point 22 metres further east.

Sincerely,

Paula Fletcher
