

Joe Cressy 周凱捷

City Councillor | Ward 10, Spadina-Fort York

November 5th, 2019

Toronto and East York Community Council
City Hall, Committee Room 1
100 Queen St W
Toronto ON M5H 2N2

Dear Chair and Members,

NEW BUSINESS REQUEST: Installation of Speed Humps on Joe Shuster Way, between King Street West and Dufferin Street

SUMMARY:

My office has received numerous reports of speeding and dangerous driving on Joe Shuster way, with this local road being used by wayfinding applications to move between two arterial roads. Joe Shuster is adjacent to a playground and a dog run, and has a posted speed of 30km/h.

After receiving these reports, I received two petitions for the installation of speed humps totalling 89 signatures, with more being collected in the community. I'm requesting this council waive the petition and polling requirements, and authorize the installation of traffic calming measures.

RECOMMENDATION:

It is recommended that The Toronto and East York Community Council:

1. Waive the petition and polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming on Joe Shuster Way, between King Street West and Dufferin Street.
2. Direct the City Solicitor to prepare a by-law to alter the roadway to install four speed humps on Joe Shuster Way, between King Street West and Dufferin Street, generally as shown on the attached Drawing No. 421G-3556, dated October 2019.

Sincerely,

Joe Cressy
