

Joe Cressy 周凱捷

City Councillor | Ward 10, Spadina-Fort York

December 2, 2019

Toronto and East York Community Council
City Hall, Committee Room 1
100 Queen St W
Toronto ON M5H 2N2

Dear Chair and Members,

Re: Installation of Speed Humps on Soho Street between Queen and Phoebe, and Phoebe Street between Beverly and Huron

My office has received reports of speeding and dangerous driving on Soho Street and Phoebe Street in the Grande Neighbourhood. This area is near an elementary school, a daycare, and contains bicycle lanes and heavy pedestrian traffic.

After receiving the reports of speeding and dangerous driving, I received a petition for the installation of speed humps from local residents. I am requesting that this council waive the petition and polling requirements, and authorize the installation of traffic calming measures.

Recommendations:

1. Waive the petition and polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming on Phoebe Street, between Beverley Street and Huron Street.
2. Direct the City Solicitor to prepare a by-law to alter the roadway to install two speed humps on Phoebe Street, between Beverley Street and Huron Street, generally as shown on the attached Drawing No. 421G-3557, dated October 2019.
3. Waive the petition and polling requirement under the City's Traffic Calming Policy and authorize the installation of traffic calming on Soho Street, between Queen Street West and Phoebe Street.
4. Direct the City Solicitor to prepare a by-law to alter the roadway to install two speed humps on Soho Street, between Queen Street West and Phoebe Street, generally as shown on the attached Drawing No. 421G-3558, dated October 2019.

Sincerely,

Joe Cressy
