To Whom It May Concern:

This letter is a formal request that the ***Toronto Craft Beer Festival*** event being held June 21-23 at Ontario Place West Island, be deemed an event of Municipal Significance. This is required for TCBF Events Inc. to obtain a Special Occasion Permit for the event.

While the weather did not cooperate, the 2018 event was a still a great success. All 3 days were well attended, and attendees enjoyed themselves. The partners of TCBF have a long history of creating and producing successful events including the Downtown Kitchener Ribfest & Craft Beer Show which is celebrating its 16th anniversary this year and draws over 35,000 attendees from across Waterloo Region and the Kingston Ribfest & Craft Beer Show which is celebrating its 7th anniversary this year and draws over 25,000 attendees. Our goal is to continue to make this a unique and significant event in Toronto.
