Subject: Municipal Significance for Dundas West Fest 2019: Extension of premises for restos/bars/café
Date: March 18, 2019 1:27:12 PM
Attachments: [List of Dundas West Fest 2019 Extension of Premises.docx](#)

Greetings,

Please put this on the agenda for tomorrow's community council meeting. We have been in touch with Councillor Bailão's office and they recommended we submit immediately to make sure this is on tomorrow's agenda.

The following is a request for a designation of Municipal Significance for the Dundas West Fest 2019 and a Letter of Non-Objection to the extension of premises for the attached list of locations, as per request of AGCO. Dundas West Fest is a repeat street festival in its seventh year. The festival is produced by the Little Portugal BIA and the Dundas West BIA, who will be merged into the Little Portugal on Dundas BIA on April 24, 2019.

Dundas West Fest in 2019 takes place on June 7, 2019 between the hours of 18:00 and 1:00 am; and on June 8, 2019 between the hours of 11:00am and 1:00 am.

The festival is a street closure along Dundas Street West from Ossington Street to Lansdowne Ave., with the major arteries of Dovercourt Ave, Dufferin Street and Brock Ave. remaining open.

Should any more information be needed, we are at your disposal and we can respond immediately.

Many thanks
Alex
