Petition to STOP 80 Gladstone Ave- Fix Coffee + Bikes Applications

Petition summary and background	<p>The Business operating as Fix Coffee + Bikes at 80 Gladstone Avenue has without adequate Community input or Notice applied to SELL Liquor in addition to the Coffee Shop and Bike Sales and Service business currently operating. The Business and Property Owners have also applied for a Boulevard Patio License knowing the Residents are against the Liquor license applications and shows an utter disrespect for the wishes of the Residential Community. Due to the Maze like traffic flow adjacent to the 80 Gladstone Ave and Alma St intersection several hundred nearby Residences will be effected by an increased traffic (Bike, Vehicles, Pedestrians) should the above activities be approved.</p> <p><i>- Organized by the Beaconsfield Village Resident Association March 2019-</i></p>
Action petitioned for	<p>We, the undersigned, are concerned local citizens who urge our City of Toronto and Ontario Government Agencies to prevent the changes proposed to our Residential Community by the Business and Property Owner(s) at 80 Gladstone Ave. We insist on full and timely disclosure of the process so that we can express our concerns and STOP these applications.</p>
