RE: TE9.20 Demolition Application - 587 Oakwood Avenue

It was brought to my attention by City staff that an application had been submitted to the City to demolish the building containing Prayer Outreach Ministries. There is no option provided within the by-law to allow Community Council or the local councillor to oppose the demolition.

As part of the demolition permit application, there is a requirement in the former City of York by-law allowing Community Council to consider granting conditions on any approval. I encourage Community Council to support the recommendation that includes entering into an agreement with the City to provide a beautification plan to be registered on title.

Sincerely

Josh Matlow
