Copyright is that of the Architect.
Any version of this drawing reproduced
by any means from any media without
prior written approval of the Architect
is to be read for information only.
The Architect is not liable for any
loss or distortion of information
resulting from subsequent
reproduction of the original drawing.

GENERAL NOTES:
1. Drawings are not to be scaled.
Contractor will verify all existing
conditions and dimensions required to
perform the Work and will report any
discrepancies with the Contract
Documents to the Architect before
commencing work.
2. The Architectural Drawings are to be
read in conjunction with all other
Contract Documents including the
Project Manual and the Structural,
Mechanical and Electrical Drawings. In
cases of difference between the
Contract Documents with respect
to the quality, sizes or scope of
work, the greater shall apply.
3. Positions of exposed or finished
Mechanical or Electrical devices,
fittings and fixtures are indicated on
the Architectural Drawings. Location
shown on the Architectural Drawing
shall govern over Mechanical and
Electrical Drawings. Mechanical and
Electrical items not clearly located
will be located as directed by the
Architect.
4. Dimensions indicated are taken
between the faces of finished
surfaces unless otherwise noted.
5. The architect has not been retained
for supervision of construction and
assumes no responsibility for means,
methods and techniques of
construction.
6. These documents are not to be used
for construction unless specifically
noted for such purpose.
