

General Notes:

- These Contract Documents are the property of the Architect. The Architect bears no responsibility for the interpretations of these documents by the contractor. Upon written application the Architect will provide written clarification or supplementary information regarding the intent of the Contract Documents. The Architect will review Shop Drawings submitted by the Contractor for design conformance only. Drawings are not to be scaled for construction. Contractor to verify all existing conditions and dimensions required to perform the Work, and report any discrepancies with the Contract Documents to the Architect before commencing work.
- Positions of exposed or finished mechanical or electrical devices, fittings, and fixtures are indicated on the Architectural drawings. The locations shown on the Architectural Drawing govern over the Mechanical and Electrical drawings. These items not clearly located will be located as directed by the Architect.
