To the City Clerk:

Please add my comments to the agenda for the April 30, 2020 City Council meeting on item 2020.CC20.6, Implementing the Toronto Modular Housing Initiative as an Urgent Response to the COVID-19 Pandemic

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

I am in full support of the letter written by the Toronto Alliance to End Homelessness. This pandemic presents a serious risk to the lives of people experiencing homelessness and to the healthcare system when these outbreaks move folks into hospitals.

Respectfully,

**Jennifer Sully-Ferraro, MA**
