Categories: Communication

To the City Clerk:

Please add my comments to the agenda for the December 16, 2020 City Council meeting on item 2020.TE21.20, Inclusion on the City of Toronto's Heritage Register - Forest Hill Village Properties

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

We are writing to object to the proposed listing on the Heritage Register of the property identified as 414 Spadina Road in Staff Report TE21.20, owned by Armel Corporation.

The building is not currently subject to a development application and the property is not subject to a demolition permit, as such it is unclear why the Property is being listed at this time?

We had previously submitted a letter to the Toronto Preservation Board expressing our objection, and wanted to be sure that City Council is also aware of our concern and objection.

Respectfully submitted.
