

Roberto Campanella of ProArteDanza sent an email dated September 8<sup>th</sup> to Richard Bonnick, cc Anthony Monteforte and Christine Hartinger; "Thank you so much Richard and Anthony for making our entire 5 days at the Bandshell Stage, a wonderful experience and success! We hope to once again be able to work with both of you in the future. A big thank you to Christine for managing the entire booking of this event and for accommodating our needs right from the start. We couldn't of asked for a better team to help make this event even possible! Also, thank you to Joe, for cleaning the event space every day and for cleaning the stage when we needed it. We cannot thank everyone enough! Take care. Christine, on behalf of Sasha and the rest of the gang at PAD, can't thank you enough for giving us and our students this amazing opportunity. So amazing that it's painful to leave :). My appreciation and gratitude to the team of wonderful and very supportive people such as Anthony and Richard. Special mention to Joe! He kept everything clean and took care of us at every step."
