COMMENTS

Transportation Services received a request from an area resident, via the Ward Councillor, that parking be prohibited at all times on the south side of West Deane Park Drive, from The East Mall to Rabbit Lane. The request is due to concerns that when vehicles are parked in this area it can result in congestion between westbound left-turning vehicles and eastbound vehicles that have turned onto West Deane Park Drive from The East Mall. A map of the area is shown on Attachment 1.

West Deane Park Drive, in the area of The East Mall, is a 9.5 metres wide three-lane roadway, comprised of one inbound lane (eastbound) and exclusive left and right turn lanes for outbound (westbound) traffic. West Deane Park Drive is classified in the City of Toronto's Road Classification System as a "local" road. The street has an urban cross-section (curb and gutter). Sidewalks are located on both sides of the street. The regulatory speed limit on West Deane Park Drive is 40 km/h. Parking is currently prohibited at all times on the north side of West Deane Park Drive, between The East Mall and Rabbit Lane.

In consultation with the Ward Councillor, Transportation Services recommends prohibiting parking at all times on the south side of West Deane Park Drive, between The East Mall and Rabbit Lane. This will address concerns regarding congestion on this section of West Deane Park Drive.
