COMMENTS

Renaming Dunbloor Road

As part of the Six Points intersection reconfiguration, it is necessary to rename Dunbloor Road to "Dundas Street West" to provide for a consistent street name and configuration.

This renaming impacted two municipal addresses, 2 & 11 Dunbloor Road. The address change was done in consultation with the City's Engineering and Construction Services Division and in consideration of Toronto Municipal Code Chapter 598, Numbering of Properties. Documented support from the property owners of 2 & 11 Dunbloor Road was secured by City Staff in line with Section 6.1.3 of the Street Naming Policy.

Transportation Services will erect signage explaining the street numbers in each direction, at the intersection where the change will be implemented.

Councillor Grimes and Councillor Holyday support this renaming proposal.

The street is shown as PART 1 on Attachment No.1 Sketch No. PS-2019-143.

This naming proposal complies with the City of Toronto Street Naming Policy which can be found at <https://www.toronto.ca/city-government/planning-development/street-naming/>
