

Toronto Office of Recovery and Rebuild Consultations Discussion Guide

Name:

Organization:

Recovery

What are the 2-3 greatest challenges your business/sector/community is facing today?

What are the 2-3 most immediate needs for recovery of your business/sector/
community?

How should these needs be prioritized?

Rebuild

What does the future state of your business/sector/community look like for you right
now?

Are there changes that have occurred in your business/sector/community that you think
will be part of the 'new normal'?

What are the long term opportunities can be explored for rebuilding this City in a better
form for your business/sector/community?
