City of Toronto Act, 2006 Public Notice

Metrolinx Projects: Line 2 Scarborough Subway Extension, Temporary Delegation for Long Term Road Closures

Amendments to City of Toronto Municipal Code Chapter 937, Temporary Closing of Highways Chapter 27, Council Procedures

Toronto City Council will be considering recommendations to pass a by-law to amend City of Toronto Municipal Code Chapter 937, Temporary Closing of Highways Chapter 27, Council Procedures in order to authorize the General Manager, Transportation Services to temporarily close to pedestrian and vehicular traffic highways or portions of highways for a period up to and including 365 consecutive days, but ending no later than December 31, 2030, inclusive, as required for the purpose of construction of the Line 2 Scarborough Subway Extension.

It is proposed that the by-law be adopted at the Council meeting to be held on January 29 and 30, 2020 or at a subsequent meeting.

The report from the General Manager, Transportation Services, titled "Metrolinx Projects: Line 2 Scarborough Subway Extension, Temporary Delegation for Long Term Road Closures" has the following recommendations:

1. City Council amend City of Toronto Municipal Code Chapter 937, Temporary Closing of Highways, to delegate to the General Manager, Transportation Services, until December 31, 2030, inclusive, the authority to temporarily close to pedestrian and vehicular traffic highways or portions of highways for a period up to and including 365 consecutive days but ending no later than December 31, 2030 inclusive, with the exception of those highways listed in Section 937-4 of Chapter 937, as required for the purpose of the construction of the Line 2 Scarborough Subway Extension and exempt the General Manager, Transportation Services, in carrying out this delegated authority from Section 937-5 of Chapter 937, that being the requirement to notify the local Ward Councillor of the pending closure and the requirement to report on the proposed closure if so requested by the local Ward Councillor.
2. City Council amend City of Toronto Municipal Code Chapter 27, Council Procedures, to provide that the current delegation to Community Council to temporarily close local roads, collector roads, and minor arterial roads does not include closures delegated to the General Manager, Transportation Services, in carrying out the authority in Part 1 above.
3. City Council direct the General Manager, Transportation Services, to request Metrolinx to expand its use of a 24 hour, 7 days a week hotline to accept and track complaints and reports of issues associated with the Line 2 Scarborough Subway Extension.
4. City Council direct the General Manager, Transportation Services, to work with Metrolinx to provide details of long-term road occupancy permits to the public on project

websites, consistent with current practices deployed within the Eglinton Crosstown Light Rail Transit, Finch West Light Rail Transit and GO Expansion projects.

5. City Council direct that the traffic lanes and sidewalks be reopened when the project is complete.

If approved by City Council, City of Toronto Municipal Code Chapter 937, Temporary Closing of Highways Chapter 27, Council Procedures will require amendment.

At its meeting to be held in Committee Room 1, Toronto City Hall on January 9, 2020, at 9:30 a.m. or as soon as possible thereafter, the Infrastructure and Environment Committee of Toronto City Council will hear in person, or by his or her counsel, agent or solicitor, any person who wishes to speak to the matter.
