Councillor James Pasternak
Chair, Infrastructure and Environment Committee
10th floor, West Tower, City Hall
100 Queen Street West
Toronto, ON M5H 2N2

Dear Councillor Pasternak,

I am writing today to support the AODA Alliance's brief to the Infrastructure and Environment Committee regarding electric scooters.

March of Dimes Canada is one of the province's largest agencies supporting people with disabilities and delivers a variety of services and supports, many of which enable people with disabilities to live independently in their communities.

The AODA Alliance has put forward a brief and calls for the Committee to reject the proposal of e-scooters due to disability safety and accessibility concerns. March of Dimes Canada expresses its strong support for this brief, and would be pleased to provide any further insights or assistance to yourself or any members of the Infrastructure and Environment Committee.

Best regards,

Leonard Baker
President and CEO
