To the City Clerk:

Please add my comments to the agenda for the September 17, 2020 Infrastructure and Environment Committee meeting on item 2020.IE15.8, Request to Study the Environmental Impact of Two-Stroke Engine Garden Equipment

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments: On behalf of the ABC Residents Association I would like to encourage the member of the committee to support the Member Motion of Councillor Carroll and Councillor Pasternak. This is a serious health and environment issue causing serious concerns in many Toronto Neighbourhoods.

Thank you  
MH Spence for  
The ABC Residents Association
