Summary

Staff and the General Manager of Economic Development and Culture have been involved in a number of issues with respect to the election and operations of the current directors of the Board of Management of the Uptown Yonge Business Improvement Area (the "Board"). In the General Manager's opinion, the Board in its current form is not able to fulfill its mandate. This Motion recommends that City Council remove the current Board and replace it with an interim Board. The interim Board will be in place until such time as a new Board can be elected, no later than at the end of the current term of Council.

This course of action is in accordance with Chapter 19-3.3 (C) of the Toronto Municipal Code,

which provides that directors are appointed at the pleasure of Council or Community Council, as the case may be, and may be removed from the Board at any time for any reason.
