Recommendations

Councillor Mike Colle, seconded by Councillor Frances Nunziata, recommends that:

1. City Council request the Toronto Police Services Board to come up with a plan to respond to the non-stop shootings that are occurring throughout the City of Toronto, especially the numerous drive-by shootings that are endangering lives of Toronto on a daily basis.
2. City Council request the Provincial Government to take immediate steps to support the Toronto Police Service and all other City efforts in combatting the non-stop shootings in Toronto, including the immediate impounding of vehicles and suspending of licences of drivers where Police have found unlawful handguns.

Summary

In light of a most recent drive-by shooting in our City, where a man was shot and killed at Lawrence Avenue West and Jane Street while with his wife and a one-month old baby, something needs to be done to address an unprecedented number of drive-by shootings in our City.

This Motion asks for Toronto Police Service and the Provincial Government to do everything in their power to address a growing number of drive-by shootings in our City.

This matter is time sensitive and urgent in light of an unprecedented number of drive-by shootings taking place in our City.
