---

The Beaconsfield Village Residents Association agrees wholeheartedly with Rick Green's comments and hope that the current Noise exemptions be scaled back as per Joe Cressy's work on the changes to the By-Law.

To: "[councilmeeting@toronto.ca](mailto:councilmeeting@toronto.ca)" <[councilmeeting@toronto.ca](mailto:councilmeeting@toronto.ca)>

To the City Clerk:

Please add my comments to the agenda for the June 29, 2020 City Council meeting on item 2020.MM22.38, Changes to City of Toronto Act Regulations Concerning Construction Noise By-laws - by Councillor Josh Matlow, seconded by Councillor Mike Colle

I understand that my comments and the personal information in this email will form part of the public record and that my name will be listed as a correspondent on agendas and minutes of City Council or its committees. Also, I understand that agendas and minutes are posted online and my name may be indexed by search engines like Google.

Comments:

The Garment District Neighbourhood Association (GDNA) strongly supports the motion to amend the edict from the provincial government that expands allowable construction hours.

In a communication sent June 17 to the Office of the Premier, along with 13 other downtown RA's, the GDNA asked that this regulation be rescinded;

"If the intent was to extend the workday to facilitate construction and safely spread out shifts, this has largely not been realized, with many sites closing by mid-afternoon, and on some weekend days, often before lunch despite a 6 am start. All this expansion of hours has accomplished is to allow construction workers to start earlier so they can finish earlier.

The effect on residents, however, has been profound. Already anxious about Covid-19, stressed about employment/ income insecurities, and spending endless hours sheltering in place, this ongoing noise assault only adds an additional stressor **without any perceptible benefit.**"

We urge the above motion in Council be passed without delay.

Regards,

**Rick Green**

Treasurer, GDNA

(Garment District Neighbourhood Association)
