**Re: Re-opening item NY15.22, technical amendment.**

Dear Members,

The purpose of this motion is to request a re-opening of item NY15.22 amended at North York Community Council Meeting 15. The reopening seeks to correct a wording error included as part of the previous recommendations where one of the streets up for traffic calming failed to be mentioned. The recommendation below seeks to add James Finlay Way to Part 1, as it was indented.

**Recommendation:**

At the request of Transportation Services It is recommended that North York Community Council:

It is recommended that North York Community Council:

1. Re-open Item NY15.22, headed "Requested Traffic Calming – George Appleton Way and James Finlay Way" with respect only to Part 1 of the North York Community Council's decision.
2. Delete Part 1 of the North York Community Council decision on Item NY15.22 and adopt the following instead:

"1. Waive the polling requirements and authorize the installation of speed humps on George Appleton Way, between Keele Street and James Finlay Way and on James Finlay Way, between Wilson Avenue and George Appleton Way."

Sincerely
