Re: Blue Ridge Road – Closure of Cul-de-sac

Dear Members of North York Community Council,

Summary:

Residents have brought it to my attention that the lack of visibility of the cul-de-sac at the north end of Blue Ridge Road has contributed to an ongoing safety concern. This location, adjacent to the Blue Ridge Park, has been a hot spot for illegal parking and disruptive activity. Therefore, it is recommended that Transportation Services staff investigate the proposal to close the cul-de-sac to vehicular traffic and report back to North York Community Council on their findings.

Recommendation:

It is recommended that North York Community Council:

1. Direct the General Manager, Transportation Services to investigate the stop-up and closure to vehicular traffic of the cul-de-sac at the northerly terminus of Blue Ridge Road, and report back to North York Community Council on the findings of the investigation in the second quarter of 2021.

Sincerely,

Shelley Carroll
Councillor, Ward 17 – Don Valley North
