Enid Crescent One Hour Parking

Summary

A letter was received in March from the owner of a small business on Enid Crescent. The small business owner expressed concerns due to the fact that customers were receiving parking fines after stopping briefing in to the bakery.

City staff were made aware of the situation and in July a letter was sent to residents advising them of the proposed parking changes.

Transportation Services recommended that given the 8.5 metre width of the road, Transportation Services advised that it is feasible to allow parking on *the north side only for a one-hour limit, Monday to Friday.*

Recommendations

1. North York Community Council rescind the parking prohibition in effect from 8:00 a.m. to 4:00 p.m., Monday to Friday, on the north side of Enid Crescent, between Marlee Avenue and a point 101 metres west.
2. North York Community Council authorize parking for a maximum period of one hour from 8:00 a.m. to 4:00 p.m., Monday to Friday, on the north side of Enid Crescent, between Marlee Avenue and a point 101 metres west.

Background Information

Motion is in response to small businesses requesting one hour parking for their customers in order for them to shop and support the local shops along in the area.

Prior to the COVID-19 parking regulation changes, customers of businesses on Enid Crescent were receiving parking fines after parking for short periods of time. Due to parking restrictions now resuming, parking changes have been advised so that customers no longer receive fines due to limited parking availability. Small businesses need these supports especially with the struggles they are facing due to the COVID-19 pandemic.
