Carlie Turpin, Secretariat Contact:

The Avenue Road-Eglinton Community Association (ARECA) is an incorporated non-profit association, representing approximately 2,300 households from Yonge and Eglinton westward to Chaplin Crescent, north to St. Clements Avenue, east to Avenue Road, south to Roselawn Avenue and east to Yonge Street.

**Let it be known ARECA supports strongly the recommendations of the City Planning Division that City Council refuse the application for Zoning By-law Amendment for the lands at 36-44 Eglinton Avenue West.**

Thank you.

For and on behalf of The Avenue Road-Eglinton Community Association,

Jim Baker  
President, ARECA
