

Toronto & East York Community Preservation Panel

January 10, 2020

To: Toronto Preservation Board
Agenda for Meeting 13, January 27

Re: Community Preservation Panel for TOcore

Summary:

I would like the Board to hear from staff regarding the creation of a district panel for TOcore. Toronto and East York contains over 10,000 heritage properties. The TOCore district is a discrete planning district and a separate panel is appropriate.

Recommendations

I recommend to Toronto Preservation Board that:

1. The Senior Manager Heritage Preservation Services arrange for a staff presentation regarding the district heritage panels.

Paul Farrelly
Chair
Toronto East York Community Preservation Panel
