Re: CAHP Lifetime Achievement Award Nomination - Kathryn Anderson

It is my great pleasure to offer my support for the nomination of Kathryn Anderson, Heritage Planner in City Planning, for the Canadian Association of Heritage Professionals' lifetime achievement award, in recognition of her long and dedicated service to the City of Toronto and the outstanding contribution she has made as an architectural historian to heritage conservation in Canada.

Ms. Anderson joined the Toronto Historical Board in 1989, undertaking research and evaluation of nearly 2,000 heritage properties and producing reports for City Council recommending their inclusion on the City's Heritage Register and designation under the Ontario Heritage Act. She and her body of work has quietly made a profound impact on City Council's support for the protection of many heritage properties that contribute to the history, culture and sense of place of Toronto and she has made a substantial contribution to the heritage profession and heritage conservation in Ontario.

Sincerely,

Mayor John Tory
City of Toronto
