Dear Sir or Madam,

**Re: 33-49 Avenue Road and 136-150 Yorkville Avenue Support for Heritage Demolition Certificate**

We are writing to express support by the Greater Yorkville Residents' Association (GYRA) for approval of the application to permit the demolition of the existing heritage buildings on the subject site. As one of the two major residents association in the Yorkville Community, we have been actively engaged with the developers of this property, and have previously formally expressed our full support for the project to Councillor Layton in coordination with the ABC Residents Association (see attached letter dated September 16). It is our understanding that the Board will be specifically reviewing the Heritage Demolition Permit at your October 30 meeting. We want to again confirm that our residents strongly believe that removing the heritage buildings on this site is an appropriate and proportionate trade-off to the extensive benefits that this project will deliver to our neighbourhood.

Sincerely,

A handwritten signature in black ink, appearing to read "Alan Baker". The signature is written in a cursive, flowing style.

Alan Baker, President Greater Yorkville Residents' Association
