

CONDOLENCE MOTION

Moved by: Councillor Kristyn Wong-Tam

Seconded by: Councillor Joe Cressy

The Mayor and Members of Toronto City Council are deeply saddened to learn of the passing of Tricia Waldron on November 4, 2020. Only 67 years old, Tricia was a lover of the great outdoors, lakes and wildlife.

Tricia Waldron was a passionate and active community leader in Corktown and West Don Lands neighbourhoods. As a board member of the Corktown Resident and Business Association, she advocated for the most vulnerable residents and will be fondly remembered for her vigorous enthusiasm and immeasurable giving spirit.

Tricia had been the Editor in Chief of the Corktown News, a community led news outlet in the neighbourhood and had recently volunteered to be a representative for the West Don Lands Committee for Little Trinity Church. Over the past two years, Tricia has been instrumental in fundraising for the new Anishnawbe Health Centre helping raise \$50,000. Her commitment to her community, and strength of dedication will be remembered for many years.

Many have come forward with kind thoughts, and fond memories of Tricia's contributions to her community, neighbours, friends and loved ones. She will be sorely missed.

The City Clerk is requested to convey, on behalf of City Council, our sincerest sympathy to Ian Waldron, Tanya Robinson and family as well as the West Don Lands, Corktown and Distillery District communities who've lost a friend, neighbour and advocate.
