18 Spadina Ave – The Well – Bldg F & G**

Dear Kelly Slater,

Your application for a noise exemption permit related to start up and safety of cranes and personnel hoist, deliveries of reinforcing steel and installation of curtain wall has been denied for the following reason:

1. Pursuant to Toronto Municipal Code, Chapter 591, Noise, Section 3.2(C)(1) the City Councillor where the activity is to take place has provided an objection to the application being approved.

As a result, Municipal Licensing and Standards is not able to approve this noise exemption permit application.

Please be advised that you may appeal this decision to the community council which has jurisdiction for the location of the proposed activity by filing an appeal within 21 days of the date of this notice with the City Clerk at City Clerk's Office, City of Toronto, City Hall, 2nd Floor, 100 Queen Street West, Toronto, Ontario, M5H 2N2. There is a fee for filing this appeal as well as a charge for notification to all residents within 100 metres of the location of the proposed activity.

For more information on this application denial or the appeal process, please contact the Bylaw Enforcement, Noise Team at NoiseTo@toronto.ca or by telephone at 416-392-4380.

Sincerely,
