## Re: Parking Amendments - Carr Street

---

### BACKGROUND:

My office has received complaints from residents about long term parking and low enforcement on Carr street, and these neighbours have submitted a petition to switch Carr to a 1 hour parking zone. Most streets in the neighbourhood have been designated as 1 hour parking for years, but Carr Street remains a 3-hour (unrestricted) zone. This amendment to authorize a maximum period of 1 hour will bring Carr Street in line with neighbouring streets, striking a balance for permit parking holders and accessible permits while allowing for temporary parking for visitors and services.

### RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council authorize parking for a maximum period of one hour from 10:00 a.m. to 12:00 midnight daily on the south side of Carr Street, between Denison Avenue and Bathurst Street.

Sincerely,

Joe Cressy
