

NOTICE OF MOTION

Meeting Date: February 5, 2020

Re: Implementation of Permit Parking on Little Norway Crescent, between Queen's Quay and Stadium Road

Recommendations

Councillor Joe Cressy recommends that:

1. Toronto and East York Community Council amend Schedule A of the City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate the north and west sides of Little Norway Crescent, between Queen's Quay and Stadium Road, on a street name basis, under the operating hours of 7:00 p.m. to 7:00 a.m., 7 days a week.

Background

At its meeting of January 29, 2020, City Council approved item TE12.61, regarding an exemption for the implementation of permit parking on Little Norway Crescent, between Queen's Quay and Stadium Road, from the requirements of subsection 925-4B of City of Toronto Municipal Code Chapter 925, Permit Parking.

Subsection 925-4B, provides that:

Where permit parking is not currently available and where a petition requesting permit parking signed by the residents of a minimum of 25% of the total number of residential premises having a residential address on the street or the flank of the street is submitted to the General Manager, a poll shall be conducted in accordance with Chapter 190, Polling and Notification, to determine if the residents wish to have permit parking on their road or area, as the case may be. In the event of a positive polling result, the General Manager shall report such result to the appropriate community council, which community council under delegated authority, shall be authorized to pass any necessary by-laws to implement permit parking on the road or area. In the event of a negative result, permit parking shall not be extended to the road or area, and no further permit parking poll shall be conducted for a period of two years

Little Norway Crescent, between Queen's Quay and Stadium Road is a local roadway near Billy Bishop Airport. Residents are finding it difficult to locate available overnight parking spaces. Implementing permit parking would resolve their long term parking needs by provide a legal overnight parking option.
