- a. Big on Bloor;
- b. Beaches Jazz Festival;
- c. OssFest;
- d. Green Space Festival; and,
- e. Dundas West Fest.

2. City Council decide whether to endorse applications for extensions to licensed hours or areas for the establishments listed in Attachment 1 and direct the City Clerk to issue letters of municipal significance and non-objection to the Alcohol and Gaming Commission of Ontario.

DECISION HISTORY

City Council at its meeting on March 27 and 28, 2019 delegated authority to the City Clerk to issue letters of endorsement to the Alcohol and Gaming Commission of Ontario for events that meet a specific set of criteria. Events that do not meet the criteria continue to be considered by Community Council and City Council.

COMMENTS

The City Clerk has received requests for endorsements and non-objection letters supporting AGCO applications for 5 multi-location events. All five involve the extension of hours after 11:00 p.m. These requests exceed the authority delegated to the City Clerk and therefore require:

- Community Council to declare the events as "events of municipal significance"; and
- City Council to endorse temporary extensions of hours and/or premises of participating licensed establishments.

Attachment 1 summarizes the requests from event organizers to be designated as events of municipal significance and the list of licensed establishments associated with their events requesting extensions of their existing liquor licences.
