No Right Turn at O'Connor Drive and Four Oaks Gate

Dear Chair and Members of the Toronto and East York Community Council,

Four Oaks Gate is a residential street just north of O'Connor Drive near Don Mills Road. A high volume of commuter traffic uses O'Connor Drive to access the Don Valley Parkway via Don Mills Road every morning and many of these vehicles use Four Oaks Gate as a cut-through to bypass the traffic waiting to turn right at Don Mills Road onto the DVP. I have heard from residents that they are concerned about the safety of their community because of this cut-through traffic.

Recommendation:

1. Toronto and East York Community Council request Transportation Services conduct a study for the implementation of a right turn prohibition at O'Connor Drive and Four Oaks Gate between 7:00am and 9:00am, Monday-Friday, and report back to Toronto and East York Community Council by September 15th, 2020.

Sincerely,

Paula Fletcher
City Councillor
