To Toronto and East York Community Council Chair and Members:

Re: Requests for Changes to Parking Regulations in Ward 11

Residents across Ward 11 have brought forward concerns parking on their local streets seen as a result of the impacts of the pandemic and have requested alterations to their local parking by-laws.

I have summarized these requests below for the requisite follow-up from staff.

Recommendations

Toronto and East York Community Council:

1. Direct the Director, Transportation Services, Toronto and East York District introduce 'No Parking Anytime' on the west side of Castlefrank Rd from Bloor St E to Dale Ave.
2. Direct the Director, Transportation Services, Toronto and East York District introduce removal of alternate side parking on Melville St. from Shaw St to Christie St.
3. Direct the Director, Transportation Services, Toronto and East York District introduce removal of parking on west side of Augusta between Nassau and Baldwin.
4. Direct the Director, Transportation Services, Toronto and East York District introduce permit parking (Area 5E) on the west side of Davenport, between New St. and Berryman.

Thank you,

Councillor Mike Layton
Ward 11, University-Rosedale
