Subject: Temporary sidewalk installation on Mayfield Avenue

SUMMARY

This staff report is about a matter that Community Council has delegated authority to make a final decision. Installation of a missing link sidewalk is needed to ensure safety remains a top priority. The missing link sidewalk is on Mayfield Avenue between Armadale Avenue and Willard Gardens Parkette.

Recommendation

That the Toronto and East York Community Council authorize Transportation to install a temporary sidewalk on Mayfield Avenue in Ward 4.

1. Remove fencing along western edge of Willard Gardens Parkette, to permit the installation of temporary missing link sidewalk.
2. Install a temporary missing link sidewalk on Mayfield Avenue, from Armadale Avenue to Willard Gardens Parkette.
3. Alter the reconstruction of Mayfield Avenue roadway to accommodate the permanent installation of the missing link sidewalk as part of the road resurfacing projected to take place as part of the Capital Repair list for 2021/2022.

Sincerely,

Gord Perks
