## RE: Realignment of Permit Parking Area "9A" to include all of the permit areas north of Danforth Avenue within Ward 19

To the Chair and Members of Toronto and East York Community Council:

### Background:

I have often heard from constituents north of Danforth Avenue who are experiencing difficulty in finding permit parking near their homes. The need for improved parking options is based on the area's existing boundary alignments, which divide the available permit parking into small, restrictive areas. The current boundaries frequently require residents to travel further from their homes to park, even when nearby parking is available. Realigning the existing parking areas will reduce local boundaries while increasing both the pool of available spaces and the flexibility of parking options for residents.

I am requesting to increase the capacity of the permit parking zone north of Danforth Avenue by consolidating the existing permit parking areas under a single, larger permit parking area.

### Recommendations:

1. Toronto and East York Community Council consolidate current Permit Parking Areas 9A, 9F, 9G, 9H and 9J into one Permit Parking Area, that being Permit Parking Area 9A;
2. Toronto and East York Community Council amend Schedule B of City of Toronto Municipal Code Chapter 925, Permit Parking, by deleting reference to Permit Parking Areas 9F, 9G, 9H, and 9J; and
3. Toronto and East York Community Council delete the Maps for Permit Parking Areas 9A, 9F, 9G, 9H, and 9J, and replace them Attachment 1, the Map for the revised Permit Parking Area 9A
