Dear Chair and Members,

**RE: New Business Item – Turn Prohibitions – Bloor Street West and Perth Avenue**

**BACKGROUND:**

The Junction Triangle Traffic Management Committee, in conjunction with City staff and my office, have proposed several changes to traffic regulations in the neighbourhood to improve road safety. One of the final proposed measures includes turn prohibitions from Bloor Street West on to Perth Avenue during peak hours. Over the summer months and on several previous occasions, I consulted with the community by way of a letter that detailed the proposed changes. The majority of the responses demonstrated clear support of the turn prohibitions. Therefore, I am presenting this motion to implement these measures.

**RECOMMENDATION:**

It is recommended that:

1. City Council prohibit eastbound left turns from 7:00 a.m. to 9:00 a.m. Monday to Friday (bicycles excepted) from Bloor Street West to Perth Avenue.
2. City Council prohibit westbound right turns from 4:00 p.m. to 6:00 p.m. Monday to Friday (bicycles excepted) from Bloor Street West to Perth Avenue.

Thank you for your consideration.

Sincerely,

Ana Bailão  
Deputy Mayor  
Councillor, Ward 9 – Davenport
