

Realignment of Permit Parking Area 6G to exclude the development located at 225 Jarvis Street

Date: September 9, 2020
To: Toronto and East York Community Council
From: Manager, Permits and Enforcement – Parking and Administration,
Transportation Services
Wards: Ward 13

SUMMARY

Transportation Services is requesting approval from City Council to prohibit the General Manager from accepting applications from residents of, visitors to, and tradespersons at the development properties municipally known as 225 Jarvis Street from residential on-street permit parking.

Transportation Services has assessed the realignment of permit parking area 6G and the exclusion of the development property located at 225 Jarvis Street as requested by Toronto and East York Community Council, Item TE16.71, on July 16, 2020. Transportation Services is recommending approval of the exclusion as it will not impact negatively on Jarvis Street and neighbouring residents.

RECOMMENDATIONS

The Manager, Permits and Enforcement – Parking and Administration, Transportation Services recommends that:

1. City Council approve the amendment to Schedule B of City of Toronto Municipal Code, Chapter 925, Permit Parking, to incorporate a revised map of permit parking area "6G", as attached in Appendix A of the report dated September 9, 2020 from the Manager, Permits and Enforcement – Parking and Administration, Transportation Services.

FINANCIAL IMPACT

There is no financial impact associated with this report.

DECISION HISTORY

At its meeting July 16, 2020 Toronto and East York Community Council in considering item TE16.71, requested Transportation Services to examine and report back to Toronto and East York Community Council regarding the realignment of permit parking area 6G and the exclusion of the development address of 225 Jarvis Street.

COMMENTS

Permit Parking area 6G is bounded by Jarvis Street and Mutual Street to the west, Gerrard Street East to the north, Sherbourne Street to the east and Shuter Street to the south. Area 6G has 117 on-street parking spaces. To date, 90 permits have been issued. This area does not have a history of being waitlisted, meaning the demand for overnight on-street parking permits has never exceeded the supply of parking spaces.

There is TTC service on Jarvis Street. Councillor Kristyn Wong-Tam and residents neighbouring 225 Jarvis Street support this action as a means of ensuring that this new development does not negatively impact the permit parking supply to the existing neighbourhood.

A Public Notice was placed on the City's website requesting those objecting to the exclusion of 225 Jarvis Street from permit parking in area 6G to forward their objections in writing to the City Clerk, so they may be scheduled as deputations at the Toronto and East York Community Council meeting. The Clerk has confirmed that no objections have been received.

Transportation Services has no objections to the exclusion of 225 Jarvis Street from permit parking in area 6G.
