Dear Chair and Members,

RE: New Business Item – Extension of Permit Parking Hours on Gladstone Avenue, between Bloor Street West and Dufferin Park Avenue

BACKGROUND:

My office received a petition with majority support from the residents of Gladstone Avenue, between Bloor Street West and Dufferin Park Avenue, regarding the extension of the permit parking operating hours to deter non-resident vehicles from parking all day. Residents report that non-residents park their vehicles on Gladstone Avenue and take the TTC from Dufferin Station. This inundates the neighbourhood street with additional vehicles and impacts permit holders' ability to find a space. By extending the overnight on-street permit parking hours, we are aiming to facilitate improved parking availability and flexibility for area residents. For these reasons, I am moving the recommendation below.

RECOMMENDATION:

1. Toronto and East York Community Council approve the extension of the overnight on-street permit parking hours on Gladstone Avenue, between Bloor Street West and Dufferin Park Avenue from the current hours of 12:01 a.m. to 7:00 a.m., 7 days a week to the new hours of 12:01 a.m. to 10:00 a.m., 7 days a week.

Thank you for your consideration.

Sincerely,

Ana Bailão
