Dear Chair and Members of Toronto and East York Community Council,

Re: Request to Re-open Item TE18.16 – Inclusion on the City of Toronto's Heritage Register and Intention to Designate under Part IV, Section 29 of the Ontario Heritage Act - 100 College Street

It was recently brought to my attention that new Secondary Plan for the University of Toronto St. George Campus may be considered as early as the first or second quarter of 2021.

Knowing this, I am requesting that this item be re-opened, given that the original motion to defer was to allow more time for comprehensive stakeholder and community consultation at 100 College Street, which can now proceed in line with the Secondary Plan.

Recommendations:

1. Toronto and East York Community Council re-open Item TE18.16, entitled "Inclusion on the City of Toronto's Heritage Register and Intention to Designate under Part IV, Section 29 of the Ontario Heritage Act - 100 College Street".
2. Toronto and East York Community Council delete Recommendation 1 to be replaced by the following:
"1. That consideration of the item be deferred until consideration of a rezoning application for this address."

Thank you,

Councillor Mike Layton
