SUMMARY

This staff report is about a matter that Community Council has delegated authority to make a final decision, provided that it is not amended so that it varies with City Policy or by-laws. The speed limit on Dunn Avenue, between Springhurst Avenue and King Street West is 30 km/h, while between King Street West and Queen Street West it is 40 km/h. In order to have a consistent speed limit and to improve the environment for all road users the speed limit on Dunn Avenue, between King Street West and Queen Street West, should be reduced from 40 km/h to 30 km/h.
