Toronto and East York Community Council
City Hall, Committee Room 1
100 Queen Street West
Toronto ON M5H 2N2

Dear Chair and Members,

Re: Request to Re-open Item TE18.70– Traffic Calming (Speed Humps) – Spruce Street

At its meeting on September 16, 2020, Toronto and East York Community Council adopted Item TE18.70, entitled "Traffic Calming (Speed Humps) – Spruce Street".

Transportation Services staff reviewed the need for the installation of additional speed humps on Spruce Street, between Parliament Street and Sackville Street, to address residents' concerns regarding vehicle speeds. Their assessment indicated it is feasible to install two additional speed humps on this section of Spruce Street, and recommended their installation.

Community Council authorized the installation of two additional speed humps on Spruce Street, between Parliament Street and Sackville Street. In order to process this approval, formally waiving the petition and polling requirements is also required. As such the item requires re-opening and waiving of the poll requirements.

RECOMMENDATIONS:

It is recommended that:

1. Toronto and East York Community Council re-open Item TE18.70, entitled "Traffic Calming (Speed Humps) – Spruce Street".
2. Toronto and East York Community Council amend Item TE18.70 by adding the following new Recommendation 3:

"3. Toronto and East York Community Council waive the petition and polling requirements of the Traffic Calming Policy."

Respectfully submitted,

Kristyn Wong-Tam
City Councillor
Ward 13, Toronto Centre
