Dear Chair and Members,

RE: New Business Item – Extension of Permit Parking Hours on Gladstone Avenue, between Bloor Street West and Dufferin Park Avenue

BACKGROUND:

My office received requests from the residents of Gladstone Avenue, between Bloor Street West and Dufferin Park Avenue, regarding the extension of the permit parking operating hours to deter non-resident vehicles from parking all day. Residents report that non-residents park their vehicles on Gladstone Avenue and take the TTC from Dufferin Station. This inundates the neighbourhood street with additional vehicles and impacts permit holders' ability to find a space. By extending the overnight on-street permit parking hours, we are aiming to facilitate improved parking availability and flexibility for area residents. My office polled residents on the street and found that a majority support this change. For these reasons, I am moving the recommendation below.

RECOMMENDATION:

1. Toronto and East York Community Council rescind the existing permit parking regulation in effect 12:01 a.m. to 7:00 a.m. daily from the 16th day to the last day of each month from April 1 to November 30, inclusive, on the odd (east) side of Gladstone Avenue, between Dufferin Park Avenue and a point 34 metres south of Bloor Street West.
2. Toronto and East York Community Council authorize on-street permit parking to be in effect 12:01 a.m. to 10:00 a.m. daily from December 1 of one year to March 31 of the next following year, inclusive, and from the 1st day to the 15th day of each month from April 1 to November 30, inclusive, on the even (west) side of Gladstone Avenue, between a point 25 metres north of Dufferin Park Avenue and a point 34 metres south of Bloor Street West.
