

Joe Cressy 周凱捷

City Councillor | Ward 10, Spadina-Fort York

December 2nd, 2020

Toronto East York Community Council
100 Queen Street West
M5H 2N2
Toronto, ON

Dear Chair and Members,

Re: Parking Amendments – Western Battery Road

BACKGROUND:

Construction staging on the north-south portion of Western Battery Rd is removed and residents have taken occupancy at 19 Western Battery Rd, resulting in traffic flow issues on the north-south portion of the street just north of East Liberty St. The current bylaws are the ones that were in place during construction which replaced the Permit Parking and Pay and Display on the east side and No Parking Anytime on the west side. The construction bylaws are going to be reverted back to pre-construction status.

Due to the current traffic flow issues, Traffic Operations is recommending that the no parking anytime regulation on the west side of the street be bumped up to No Standing Anytime.

RECOMMENDATION:

It is recommended that:

1. Toronto and East York Community Council rescind the existing parking prohibition in effect at all times on the west side of Western Battery Road, between East Liberty Street and a point 68.1 metres north.
2. Toronto and East York Community Council prohibit standing at all times on the west side of Western Battery Road, between East Liberty Street and a point 68.1 metres north.

Sincerely,

Councillor Joe Cressy
City Councillor
Ward 10, Spadina –Fort York
