**RE: Application No. 18 260298 STE 27 OZ
Request to Amend the Zoning By-law for 112 College Street**

To the Members of the Toronto and East York Community Council:

The Bay Cloverhill Community Association (BCCA) supports this University of Toronto re-zoning application.

This site is within our catchment area. We have been involved in the planning process for this site over the many months of planning. The BCCA feels it is a good plan in keeping with the academic and Post graduate research needs of the University of Toronto. Additionally, we support that it has been tied into the subway system at the Queen's Park Subway Station.

We request that the TEYCC approve this re-zoning application.

Respectfully,

The BCCA Executive
Marilyn Tait-McClellan, President; Cathy Carnevali, Secretary; Norman Waite, Treasurer; Jack Candido and Kathryn Holden, Executive Members at large.
