Dear Councillor Perks and members of the Toronto East York Community Council,

RE: Motion by Councillors Layton and Matlow re pedestrian safety pilot project on Avenue Road between Davenport Road and St. Clair Avenue West

On behalf of the Deer Park Residents Group (DPRG), I am writing to request your support of the motion to be before your Committee on October 15 requesting that the General Manager, Transportation Services, report to the Community Council in Q4 on the feasibility of doing a pedestrian safety improvement pilot project.

Improving safety for pedestrians on this part of Avenue Road is important for our members. The DPRG is a member of the Avenue Road Safety Coalition and recently participated in its banner initiative with a DPRG banner on Avenue Road requesting slower traffic speeds and wider sidewalks.

Yours sincerely,

Cynthia Cryslar

President,
Deer Park Residents Group
